

兔抗 ACOX3 多克隆抗体

中文名称：兔抗 ACOX3 多克隆抗体

英文名称： Anti-ACOX3 rabbit polyclonal antibody

抗 原： ACOX3

储 存： 冷冻（-20℃）

宿 主： Rabbit

相关类别： 一抗

反应种属： Human

标记物： Unconjugate

克隆类型： rabbit polyclonal

技术规格

Background:

Acyl-Coenzyme A oxidase 3 also known as pristanoyl-CoA oxidase (ACOX3) is involved in the desaturation of 2-methyl branched fatty acids in peroxisomes. Unlike the rat homolog, the human gene is expressed in very low amounts in liver such that its mRNA was undetectable by routine Northern-blot analysis or its product by immunoblotting or by enzyme activity measurements. However the human cDNA encoding a 700 amino acid protein with a peroxisomal targeting C-terminal tripeptide S-K-L was isolated and is thought to be expressed under special conditions such as specific developmental stages or in a tissue specific manner in tissues that have not yet been examined.

Applications:	ELISA, IHC
Name of antibody:	ACOX3
Immunogen:	Fusion protein of human ACOX3
Full name:	acyl-CoA oxidase 3, pristanoyl
SwissProt:	O15254
ELISA Recommended dilution:	2000-5000
IHC positive control:	Human cervical cancer and human lung cancer
IHC Recommend dilution:	25-100
