

## 兔抗 CPLX3 多克隆抗体

中文名称：兔抗 CPLX3 多克隆抗体

英文名称：Anti-CPLX3 rabbit polyclonal antibody

别 名：complexin 3; CPXIII; CPX-III; Nbla11589

相关类别：一抗

储 存：冷冻（-20℃）

宿 主：Rabbit

抗 原：CPLX3

反应种属：Human, Mouse

标记物：Unconjugate

克隆类型：rabbit polyclonal

### 技术规格

|                                    |                                                                  |
|------------------------------------|------------------------------------------------------------------|
| <b>Background:</b>                 | Positively regulates a late step in synaptic vesicle exocytosis. |
| <b>Applications:</b>               | ELISA, IHC                                                       |
| <b>Name of antibody:</b>           | CPLX3                                                            |
| <b>Immunogen:</b>                  | Fusion protein of human CPLX3                                    |
| <b>Full name:</b>                  | complexin 3                                                      |
| <b>Synonyms:</b>                   | CPXIII; CPX-III; Nbla11589                                       |
| <b>SwissProt:</b>                  | Q8WVH0                                                           |
| <b>ELISA Recommended dilution:</b> | 5000-10000                                                       |
| <b>IHC positive control:</b>       | Human lung cancer                                                |
| <b>IHC Recommend dilution:</b>     | 50-200                                                           |
