

CRYAA 抗原(重组蛋白)

中文名称: CRYAA 抗原(重组蛋白)

英文名称: CRYAA Antigen (Recombinant Protein)

别 名: alpha-crystallin A chain

储 存: 冷冻(-20℃)

相关类别: 抗原

概 述:

Fusion protein corresponding to a region derived from 1-173 amino acids of human CRYAA

技术规格:

Full name:	alpha-crystallin A chain
Swissprot:	P02489
Gene Accession:	BC069528
Purity:	>85%, as determined by Coomassie blue stained SDS-PAGE
Expression system:	Escherichia coli
Tags:	His tag C-Terminus, GST tag N-Terminus
Background:	Contributes to the transparency and refractive index of the I
	ens. Has chaperone-like activity, preventing aggregation of v
	arious proteins under a wide range of stress conditions.
